NOTES:

Typical LL.M. Spring load is 1 mandatory course (3 credits) plus 2 elective courses (2 credit course and 1 credit course), altogether 6 credits. Students wishing to take more load should seek the permission of the Program Chair.

It is the student's responsibility to assure timely completion of all requirements for graduation. LL.M. 2 students in particular are advised to check with the Program Chair in case there are questions.

All the elective courses are capped at 15 students, except for LAW371 Intro to Environmental Law

** All students must take at least 1 credit of environmental studies to graduate, which can be fulfilled by taking LAW 371 (a 1-credit course) or by taking a 1-credit course offered by the Agopian Center for Environment.
